AVERAGE VALUES QUANTITY %VNR*

N-Acetylcysteine 600 mg -

Vitamin C 500 mg 625

Riber black d.e. 125 mg -

Bromelain 2500 GDU/g 500 mg (1250 GDU) -

Zinc 10 mg 100

*VNR= Reference nutritional values

Method of use and dosage

We recommend taking one sachet a day, to be dissolved in a glass of water.

Warnings

Keep out of reach of children under 3 years of age to avoid accidental intake of the product. Do not exceed the recommended daily dose. Supplements are not intended as substitutes for a varied, balanced diet and a healthy lifestyle. Do not use the product if the packaging is not intact. Use is not recommended in cases of proven hypersensitivity to one or more listed ingredients. Given the nature of the ingredients contained, the product may present a different appearance from batch to batch: this does not affect the quality of the product. Do not administer to children under three years of age. Product intended for adults.

storage

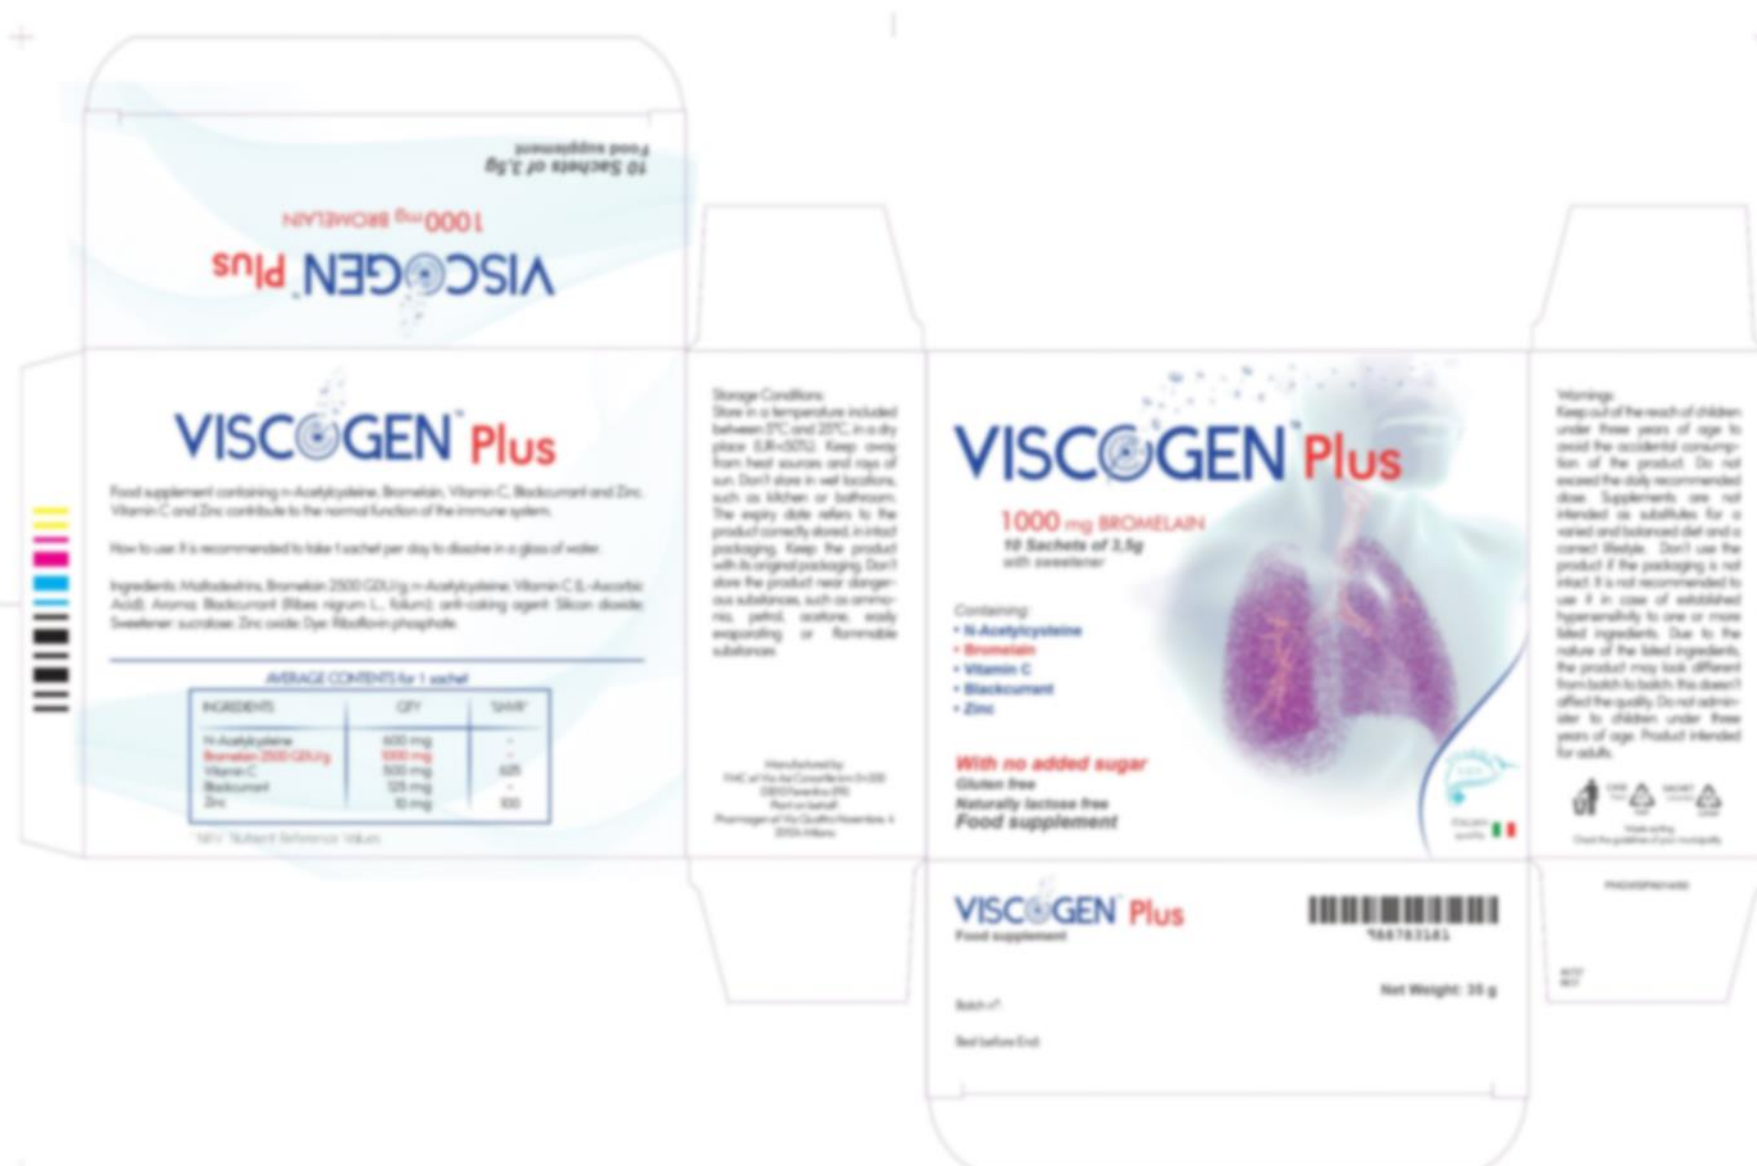

Store in a cool, dry place.

VISCOGEN™ Plus

INGREDIENTS

Maltodextrin, Bromelain 2500 GDU/g; n-Acetylcysteine; Vitamin C (L-Ascorbic Acid); Aroma; Blackcurrant (*Ribes nigrum* L., folium); anti-caking agent: Silicon dioxide; Sweetener: sucralose; Zinc oxide; Dye: Riboflavin phosphate.

SPECIFICATIONS

Food supplement containing n-Acetylcysteine, Bromelain, Vitamin C, Blackcurrant and Zinc. Vitamin C and Zinc contribute to the normal function of the immune system.

HOW TO USE

It is recommended to take 1 sachet per day to dissolve in a glass of water.

STORAGE CONDITIONS

Store in a temperature included between 5°C and 25°C, in a dry place (UR<50%). Keep away from heat sources and rays of sun. Don't store in wet locations, such as kitchen or bathroom. The expiry date refers to the product correctly stored, in intact packaging. Keep the product with its original packaging. Don't store the product near dangerous substances, such as ammonia, petrol, acetone, easily evaporating or flammable substances.

WARNINGS

Keep out of the reach of children under three years of age to avoid the accidental consumption of the product. Do not exceed the daily recommended dose. Supplements are not intended as substitutes for a varied and balanced diet and a correct lifestyle. Don't use the product if the packaging is not intact. It is not recommended to use it in case of established hypersensitivity to one or more listed ingredients. Due to the nature of the listed ingredients, the product may look different from batch to batch: this doesn't affect the quality. Do not administer to children under three years of age. Product intended for adults.
